

COLOR WOW

THE POWER OF WOW

VIRTUAL PRODUCT EDUCATION CLASS

Discover the transformative power of Color Wow's game-changers for your clients AND your business.

This one-hour interactive session is designed to introduce you to the most advanced hair tech, give you a fresh take on the industry and inspire you to take your business to a whole new level.

CLASS OBJECTIVES

- An in-depth understanding of Color Wow and Curl Wow products, and their innovative technologies
- Confidence in recommending products to clients for healthier hair, improved styling results, long-lasting color vibrancy and increased retail sales
